Explorelearning

Enrolling as a Student at ExploreLearning.com

Class Code provided by your teacher: _____

Enrolling in your teacher's class is quick and easy. Just follow these simple steps:

Step 1: Go to http://www.explorelearning.com.

Step 2: Click on the "**Enroll in a class here**" link in the upper right hand corner of the web page.

Step 3: Go down to where it says "**No, I don't have a username or password**" and click on the hyperlinked text that says "**click here to continue the enrollment process**"

Step 4: Enter the class code provided by your teacher and click on "**enroll**". Caution: Class codes are case sensitive.

Step 5: Click yes under "**Confirm Class**".

Step 6: Under "**Personal Info**" enter your first name, last name and email address. Under "**Create your account login info**", enter your username and password according to the information provided in the box below. Click "submit" when finished

---

IMPORTANT!!

For usernames and passwords, you must use the following format:

Username: MD-first 4 letters of your last name **all capitalized** and student ID numbers

Password: Student ID number

> *Example: A student named Mario Junco (Student ID number: 1234567)*
> *Username: MD-JUNC1234567   Password: 1234567*

Notes:
If your last name has less than four letters, use your entire last name followed by your student ID number. Usernames and passwords are permanent and are not to be changed!

Congratulations! Now that you're enrolled, you can login to your teacher's class anytime by using your ExploreLearning username and password.
