**HIGH SCHOOL/HOME SCHOOL - MIAMI DADE COLLEGE
DUAL ENROLLMENT PROGRAM INFORMATION AND
ADMISSION REQUIREMENTS**

1. What is Dual Enrollment?

Dual Enrollment is a program that allows eligible high school students currently attending Miami-Dade County public schools (M-DCPS), accredited private high schools, or home school to simultaneously enroll in college courses. The credits that students earn must be used toward both high school graduation and toward a college level degree (such as Associate or Baccalaureate), or college level certificate. (See www.mdc.edu/asa/dual_enrollment.asp.)

2. Who is eligible for the Dual Enrollment Program at Miami Dade College (MDC)?

High school students currently in the 10th, 11th, or 12th grade who have:

- a. Earned a minimum **3.0** high school unweighted grade point average (GPA). A minimum **2.5** weighted GPA is required for Student Life Skill (SLS) courses.
- b. Earned college ready scores in reading and writing of a state-approved placement test such as SAT/ACT, FCAT, CPT, or PERT.
- c. Obtained permission from parent, Guidance Counselor and Principal (as indicated by signature on Dual Enrollment Program Application).
- d. Expressed intent to pursue a postsecondary degree.
- e. Completed an interview with an MDC Dual Enrollment Coordinator.

3. Who pays the college tuition for Dual Enrollment?

- a. Public, charter, and private school students are exempt from registration, tuition, laboratory fees, and special fees for eligible Dual Enrollment courses.
- b. As of July 1, 2013 public, charter, and private high schools shall reimburse the college for Dual Enrollment instruction provided to its students.
- c. Home school students are also exempt from any fees if taking courses that count toward high school graduation.

4. Who pays for the textbooks?

- a. M-DCPS students will receive their books at no cost. Students are issued a Dual Enrollment book voucher by their high school advisor. Charter Schools will provide textbooks for their students participating in Dual Enrollment.
- b. Private high school students and home school students must pay for their own books and other instructional materials.

5. Are all college courses available through Dual Enrollment?

No, there are some restrictions on the choice of course(s), such as the following:

- a. Courses selected by high school students and their guidance counselors must be on the approved Dual Enrollment list of courses that meet the requirements for high school graduation. (www.mdc.edu/asa/dual_enrollment.asp#courses)
- b. Courses on the approved list will count toward students' high school graduation as certified by the high school principal's signature on the form.
- c. ***Developmental education courses, private lessons, fully online or independent study courses are not eligible for Dual Enrollment.***

6. How many courses are students allowed to take per semester?

- a. Dual enrollees can enroll in a maximum of two (2) college courses, excluding labs, totaling no more than eight (8) credits each academic term.
- b. The amount of work necessary to succeed in Dual Enrollment courses will be more than in high school courses. Students and high school Guidance Counselors should take into consideration the College academic requirements, course scheduling, meeting times, transportation and travel time.

7. When and where may Dual Enrollment courses be taken?

These courses may be taken before, during or after high school hours and during the summer. They may be offered at the high school, college, or other approved locations.

8. How do I participate in the Dual Enrollment program?

- a. Students must submit the Miami Dade College Admission Application together with the Dual Enrollment Program Form, which must include signatures of the student, parents/legal guardian, guidance counselor, and high school principal. It must also bear the official high school seal/home school stamp.

Online applications are not accepted.

- b. Both the Admission Application and Dual Enrollment Program Form must be submitted to the Admissions and Registration Office or Dual Enrollment Coordinator at the MDC selected on the Dual Enrollment Program Form, at least **10** business days prior to the first day of the requested term of enrollment.
- c. An eligible home school student must provide proof of enrollment in a home education program by submitting the signed *"Dual Enrollment Verification Form for Students Registered with M-DCPS Home Education Program"*. A home schooled student and parent must enter into an Articulation Agreement with the College. The student should also submit an academic plan specifying courses they have taken through home school, and courses to be taken at MDC.

9. What do I need to do every academic term?

- a. Students will be required to provide a complete Dual Enrollment Program Form each term in order to retain enrollment eligibility.
- b. Students whose college GPA falls below 2.0, or high school unweighted GPA falls below 3.0, are ineligible to continue Dual Enrollment.

10. Will Dual Enrollment courses transfer to other colleges and universities?

- a. These credits will transfer to any Florida public college or university offering that course with the same prefix and number.
- b. Upon high school graduation, if students do not attend the same college or university where they earned the Dual Enrollment credit, the application of transfer credit may vary at the receiving institution. Dual Enrollment courses become a part of a student's permanent college academic transcript.

11. What happens if I withdraw from a class?

Students who officially withdraw within the established deadline will have a "W" (withdrawal grade) posted on the college transcript, which may affect high school graduation. Students who withdraw from a course cannot repeat the same course as a Dual Enrollment student, but can enroll in other courses, if eligible.
