

John Gandy successful in three sports

By: Genene Kendrick

John Gandy, is well known for his athletic abilities, personality, and his big appetite.

Johnny, Gandy's nickname, the 5'10" 165 pound senior has been recognized as the most outstanding player for the last four games of the football season. Johnny has completed this year's football season with a total of 830 yards, which is an average of 83 yards per game, and 134 carries, "Which is pretty good for a lazy player," says Coach Miller. Gandy made The All-Dade second team, for his outstanding performance during the football season. He has a total of six touchdowns.

Gandy is also a part of the

basketball team where he plays point guard, and he is a member of the track team where he takes part in a variety of events. He has received offers from colleges, but he has not decided which one he will attend. Gandy says, "As soon as the football season is over, I have to roll

right on into basketball, and then track." Even though Gandy is pretty much tied into sports, he still manages for his academic grade to be a C, and A's in conduct. "I'm working on improving my grades, and I'm sure I'll succeed as soon as I'm settled," says Gandy.
